***Human Trafficking Awareness & Action
Metropolis of Chicago Philoptochos***

Eliminating Human Trafficking is a cause we proudly stand by as an organization. In the words of Jacky Rosen "Human trafficking is a communitywide problem, and as such, it requires communitywide solutions."

As citizens and members of a philanthropic Orthodox organization we believe in taking action no matter how small or big. If you too want to do something you can begin by simply informing yourself about the issue of human trafficking, considering ways to incorporate educating our communities, especially our youth, as with education comes some extent of safety.

It all begins with us, one person, one household, one community, to eventually take down something as harrowing as the phenomenon of human trafficking as a nation!

At Philoptochos we believe that #togetherwecan #philoptochos #humantraffickingawareness #strongertogether
