

NEWS FROM OPERATION CLASSROOM 2026

Thank you to our chapters for embracing the new Operation Classroom information and format.

The National Operation Classroom Committee is pleased to announce that they can see the OPERATION CLASSROOM additions to the Chicago spreadsheet!

A big thank you to the chapters that have already reported their activities since learning of this new system at the Retreat Chapter Connect meeting.

Marilynn Jemas is the liaison and main point of contact through the National Board. If you have any questions please contact her at:

marilynnjemas@gmail.com or you may contact Joanna Pinos at joannapinos@gmail.com

With regard to Operation Classroom pictures, our form does not allow for the uploading of photos at this time, however, that will be corrected later this year. We will keep chapters informed on this progress.

At this time, photos will still need to be sent separately by email to Marilynn Jemas at: marilynnjemas@gmail.com

Please be sure your chapter includes your Parish, and Philoptochos chapter number in the email with the photos so that we can keep all the photos straight!

Thank you!

Marilynn Jemas and Joanna Pinos
